Dear

Important information: ElectricSuper's change of administration partner on 1 November 2026 and how it will impact you

In May 2026 we advised members that ElectricSuper is changing its administration partner from Mercer Outsourcing (Australia) Pty Ltd (Mercer) to MUFG Retirement Solutions (MUFG).

1 November 2026 transition date

With good progress being made on preparing for the changeover, we can now confirm that the transition of Member's records and Member Services to MUFG will occur on **1 November 2026**.

Preparing for a Limited Services Period

While servicing Members and Employers will not stop during the transition, administration services will be paused, and processing will be slowed right down either side of the 1 November 2026 transition date. This period is called a Limited Services Period.

The Limited Services Period will commence from **4:30pm (ACDT) Friday 23 October 2026** and, we anticipate, end when business opens on **7:30am (ACDT) Monday 16 November 2026**.

The Limited Services Period is required so that Members' records and benefits can be captured and transferred accurately to MUFG. It takes time for this transferred information to be loaded, reconciled, evaluated, and audited, to help ensure that there is minimal disruption in providing Members and Employers with reliable services into the future.

Processing transactions and requests before the Limited Services Period

Consider making transactions and/or requesting changes and updates well ahead of 23 October 2026 for completion before the Limited Services Period starts, for example:

- Updates or changes to your account – personal/contact details, insurance and/or investment options.
- Benefit payment requests and/or making voluntary/spouse contributions or roll-ins from other funds.
- Applying to open a Spouse or Retirement Income Stream account.

If you are planning to retire and access your ElectricSuper benefit during the Limited Services Period, please contact the Trustee Office directly to discuss suitable arrangements. You can email the Trustee Office team at inquiries@electricssuper.com.au or make an appointment to see them at electricssuper.com.au/meet-with-us.
